

A legacy for care close to home

Legacy Gift Thank You Form

Your life's legacy is so important. And something worth thinking about and planning for. A legacy gift is a simple, thoughtful way to reflect your vision for compassionate excellence in health care, and to support the future of Winchester District Memorial Hospital and/or Dundas Manor, and all impacted by this care close to home. If you have included a gift to the WDMH Foundation in your Will, or listed the WDMH Foundation as a beneficiary to an investment - thank you! We hope you will complete and sign this Thank You form. By doing so, we will be able to thank you for your generous legacy gift, discuss and confirm your recognition opportunities (should you wish), discuss the impact you will have, and ensure your gift will support Winchester District Memorial Hospital and/or Dundas Manor in the way you intended. The details of your gift will remain private, unless you would like your intention shared.

Please only share what you are comfortable with. All information will remain confidential.
